**Everything starts with you.  
For us to create great products it always  
begins with putting you the user at the heart  
of everything we do."**

#### **Mission**

We are on a mission to create products that are simple to install and use, that excites and solves our clients daily needs - everyday, all year around. Based in Stockholm, Sweden we design, develop and market AV Equipment. But we do it our way. Armed with a genuine passion for new technology and user centric innovation, we take a product and give it a little bit of Multibrackets magic!

#### **About us**

Founded in year 2000 we are a family owned business and represented in over 30 countries. Today we are considered one of the leaders in the rapidly changing environment of digital signage technology – together with our distributors we are providing hardware and services to enable the full value from idea to a ready product. With one of the most comprehensive product lines in EU we supply Audio Visual Equipment for every need. Multibrackets reputation for innovative products is well known.

#### **Become a partner**

Stay ahead of your competition – Let us help you become a partner.
