| Article No:            | 7 350 073 734 573                                                                                                                                                                       |
| Self wrapping:         | Yes                                                                                                                                                                                     |
| Sock length:           | 25 m                                                                                                                                                                                    |
| Colour:                | Red                                                                                                                                                                                     |
| Working temperature:   | -50°C-+ 150°C                                                                                                                                                                           |
| Melting point:         | 240±10°C                                                                                                                                                                                |
| Flammability:          | 8s6853 lb UL94 V-0 FMVSS 302                                                                                                                                                            |
| Wear-resisting level:  | ISO6722, Load 7N, Number of scratches ?3000 times, high wear resistance.                                                                                                                |
| Application:           | It is widely used in electrical wiring, cables, wiring harness and hoses for high-speed trains, cars, automation equipment, instruments, and especially for irregularly wiring harness. |
| Monofilament diameter: | 0.25mm                                                                                                                                                                                  |
| Safety:                | Fire retardant material                                                                                                                                                                 |
| Certificate:           | RoHS                                                                                                                                                                                    |
| Warranty:              | 5 years                                                                                                                                                                                 |
| Weight:                | 1,3 kg                                                                                                                                                                                  |
| Diameter:              | Min: 40mm - Max: 50mm                                                                                                                                                                   |

### Retail Package Specification

|                       |                   |
|-----------------------|-------------------|
| Package Parcels:      | 1 pcs             |
| Package Measurements: | 65 x 65 x 14.5 cm |
| Package Weight:       | 4.00 kg           |

### Distribution Package Specification

|                                |                 |
|--------------------------------|-----------------|
| <b>Retail Package Parcels:</b> | 2 pcs           |
| <b>Package Measurements:</b>   | 67 x 67 x 32 cm |
| <b>Package Weight:</b>         | 8.90 kg         |
